

#### PRODUCT DESCRIPTION

Square aluminum blocks that are not only attractive but offer robust features. As a low profile LED up and down wall sconce, they provide ample illumination that complies with ADA regulations. Fitted with a 120-277V range voltage input driver, these sconces can be used in interior and exterior spaces whether residential or commercial applications call for them. Available in a variety of sizes including smaller square forms and oversized rectangular profiles, you can also select from three color options: Natural Aged Brass, Black, and White.
