## **PRODUCT DESCRIPTION**

The rounded ends soften the overall appearance of these sconces. Hardworking features provide ample illumination built within the sconce's low profile that complies with ADA regulations. Its LED light source shines up and down and includes a 120-277V range voltage input driver. Great for applications both interior or exterior, this collection can be used in residential or commercial applications as well. Available in Natural Aged Brass, Black, and White.

LIGHTING\_DIRECTION : Up&Down
