

## PRODUCT DESCRIPTION

Drawing from the purity and grace of traditional Japanese lanterns, the Soji collection evokes a quiet sophistication through timeless form and thoughtful contrast. Sculpted Satin White glass diffuses a warm, inviting glow while suspended within bold two-tone frames of Gold and Black. With a wide array of pendants, sconces, and portable lamps in varied silhouettes, each piece embodies a soft contemporary aesthetic that resonates across interiors -- minimal yet impactful, refined yet approachable. Soji's expanded range offers design versatility for architectural spaces, layered lighting plans, and modern living environments seeking serene illumination with sculptural presence.
