

### PRODUCT DESCRIPTION

A line of indirect LED lighting shines back on a rough-hewn cast aluminum plate with an erosion pattern that curves slightly at its ends. The neutral 3000K color temperature casts warm lighting that creates shadows and depth on the fixtures surface. An earthly organic composition available in Matte Black and Architectural Bronze, these sconces will elevate a space whether it be used in a wet exterior application or interior. An extension of less than 4" makes these sconces ADA compliant.
