

# PRODUCT DESCRIPTION

Sleek and simple, the effortlessly chic oversized cone pendants add a modern touch to elevate your space. A second, smaller aperture cone shade with a white interior is recessed to house a surprisingly brilliant single light source that beams additional light downward without creating glare. This distinctive cut off accentuates the black finish on the surfaces between two cones. Available in Black and Antique Brass, this pendant series exemplifies the enduring elegance of the cone form in design.

# **MEASUREMENTS**
